

eChange TECHNICAL SUPPORT

Topic:

Myriad Viewer ini file.

Product/Version: eChange 3.01

Date: 8/31/01

Author: Tim Catellier

Symptoms:

The Myriad Viewer does won't display documents.

Cause:

Myriad cannot use the viewers.ini file if the word "myriad" is in it.

Resolution:

1. Edit the viewers.ini file
2. Everywhere you find "myriad" edit it to read "myrview"
3. Save file
